Clarification of News Report

We confirm the statement in the cited news report that, "ROXAS HOLDINGS, Inc. (RHI) has firmed up a plan to sell shares to existing shareholders that will generate roughly P1.19 billion" and that the Company "plans to sell 265.97 million common shares with a par value of P1 per share in a stock rights offer that will entitle existing shareholders to a rights share for every 4.33 common shares held." The report was lifted from the draft prospectus filed by the Company with the SEC on March 3, 2016.

We would like to clarify the statement that, "Net proceeds will support the capital requirements of San Carlos Bioenergy, Inc., a new subsidiary of Roxas Holdings engaged in the business of producing bioethanol." In this regard, the Company is still in the process of finalizing the details of the rights offer, including the intended use of the proceeds.

The proposed rights offer was disclosed to the PSE on February 10, 2016.
