

Corporate Social Responsibility

Orientation of Scoping Partners

RBC conducted an orientation about the company and its processes to University of St. La Salle-Bacolod last February 7, 2019 at RBC Conference Room. USLS researchers who will lead the data gathering for the incoming community research were Dr. Jacqueline Felix, Dr. Ma. Calvina Cruz, and Mr. John Paul Gabriel.

Roxol Bioenergy Corporation conducted a Solid Waste Management Orientation dated February 8, 2019 at Nagasi Elementary School. Attendees were 60 representatives from Parent Teachers Association (PTA), Student Government Council (SGC), Purok Leaders, and Brgy. Council and Staff. A total of 60 trash cans were also turned over to the school. This will promote proper waste segregation and awareness to the pupils and the community. The program is in partnership with Solid Waste Management Office of La Carlota City.

Solid Waste Management

Gift Giving of Art Materials

Kiddos confidently presented their own version of big red heart to express their gratitude and love. In this simple way kids can develop their creativity in drawing.

They say "start 'em while they're young," who knows one or two from these 50 kindergartens of RSB Day Care Center who received art materials will be future artists. These art materials distributed last February 19, 2019 at RSB Day Care Center, Brgy. RSB, La Carlota City were donated by RBC employees. Present during the activity were RHI CSR Head Angeline Bondad, La Carlota CSWDO Head Angie Gelongo, Day Care Center Teacher Belinda Patango and pupil's parents.

Corporate Social Responsibility

The Corporate Social Responsibility (CSR) team from Central Azucarera de La Carlota, Inc. (CACI) and Roxol Bioenergy Corporation (RBC) conducted another Medical Mission last February 19, 2019 at CACI Sportsclub. Participating communities were from Brgy. Nagasi and Brgy. RSB comprising Hacienda Esperanza, Sitio Molave and Sitio Bucalan. A total of 200 patients from the said barangays were given free medicine and consultation. This activity was in partnership with Provincial Health Office, Province of Negros Occidental, Local Government Unit of La Carlota City specifically City Health Office, Barangay Council of Brgy. Nagasi and volunteers from Brgy. Health Workers. CACI and RBC employee volunteers also assisted in the distribution of medicines and assisting the patients.

Bloodletting

The Bloodletting Activity was conducted last February 21, 2019 at the Covered Court of Brgy. Nagasi, La Carlota City. This is in partnership with Negros First, Province of Negros Occidental, La Carlota City Health Office headed by Dr. Erwina Frances Jalandoni, Commander Security Agency and Community of Brgy. Nagasi headed by Brgy. Captain Marivie Montoya. Forty-eight (48) bags of blood were collected from 5 female and 43 male blood donors. Eleven donors were RBC employees and 37 from the community of Brgy. Nagasi.
